

BUREAU OF OCEAN ENERGY MANAGEMENT, REGULATION AND ENFORCEMENT
CONTINGENCY PLAN FACT SHEET
APRIL 8, 2011

We continue to hope that Congress will reach an agreement to avoid a government shutdown, but we are working to prepare for all possible scenarios. The following fact sheet provides basic information about the BOEMRE's contingency plans in the event of a government shutdown.

Services and Programs that would remain operational

Name of Program or Service	Reason
Drilling and Production Safety	Non-appropriated or non-lapsing funding sources available
Inspections	Non-appropriated or non-lapsing funding sources available
Permitting	Non-appropriated or non-lapsing funding sources available
Environmental Compliance	Non-appropriated or non-lapsing funding sources available
Investigations	Non-appropriated or non-lapsing funding sources available
Ongoing Renewable Energy Projects	Non-appropriated or non-lapsing funding sources available
Coastal Impact Assistance Program	Non-appropriated or non-lapsing funding sources available
